

Here is the site that we're using for reference: myjewelersclub.com

The screenshot shows the MyJewelersClub.com homepage. At the top, there's a red box highlighting the 'Join Now for only \$99.00' button. Below it, there's a large 'Fall Sale' banner with a 20% off offer. The navigation bar includes links for Elite, Rings, Bracelets, Earrings, Necklaces, Pendants, and Watches.

I need the header of the MoxieJewelry.co site to reflect the same capabilities as the site above: myjewelersclub.com.

The screenshot shows the MoxieJewelry.co homepage. A yellow arrow points to the 'Join Now for Only \$97.99' button. Another yellow arrow points to the shopping cart icon in the top right corner. The page features a 'New Collection' banner and a 'Discount Week' offer.

When customers click on our " Join Now for Only \$97.99 " button it should take them to a page similar to what is seen down below from the reference site: myjewelersclub.com/credit-application/cart-notice/

The screenshot shows the MyJewelersClub.com credit application page. A yellow arrow points to the 'Start Shopping' button, which is highlighted with a red box. The page also features a 'Join Now for only \$99.00' button and a 'Cart (0) View Cart' link.

When customers click on our " add to cart " button it should take them to the cart view page to select " Checkout Now " or " Continue ", similar to what is seen down below from the reference site: myjewelersclub.com/cart/view

The screenshot shows the MyJewelersClub.com cart view page. A yellow arrow points to the 'Add To Cart' button, which is highlighted with a red box. The page displays a product detail for a '9.03 Carat Genuine Amethyst .925 Sterling Silver Bracelet | size 7.25'.

When customers click on our " Checkout Now " button it should take them to the cart options page similar to what is seen down below from the reference site: myjewelersclub.com/cart/options

The screenshot shows the MyJewelersClub.com cart options page. Two yellow arrows point to the 'Apply Now' and 'Account Login' buttons, both of which are highlighted with red boxes. The page features a 'Fall Sale' banner.

I want to embrace this layout and have the credit application from the reference site to be placed on the left side of our shopping cart. (the same side where the billing details are)

The screenshot shows the MoxieJewelry.co checkout page. The credit application form is on the left side, while the order summary and payment options are on the right. A yellow arrow points to the 'Start Shopping' button on the left.
